Little Einstein
a Summer Enrichment Program

What is STEAM?

- Science
- Technology
- ENGINEERING
- ARTS
- MATH

A Little Einstein will always:
1. Reflect
2. Research
3. Discover
4. Apply
5. Communicate

11:00 am-12:00 pm
P8,500.00/month

The Little Einstein program will provide hands-on opportunities to enhance the natural curiosity of children. Through project-based, inquiry-driven activities, the children will explore and discover the world around them while learning literacy, problem solving skills, and collaboration techniques.

STEAM promotes curiosity, inquiry, creativity, exploration, collaboration, critical thinking, and innovation
